Sri B. V. NARAYANA REDDY.—Out of 93 sanctioned, can the Hon'ble Minister at least tell me when power will be supplied ?

Sri H. M. CHANNABASAPPA.—Immediately ofter the work is completed and the parties fulfil the conditions, power will be given.

Sri B. V. NARAYANA REDDY.—In spite of conditions being fulfilled, I have been saying that power has still not been given. They say, there is lack of material.

Sri H. M. CHANNABASAPPA.—If it is due to lack of material, the Hon'ble Member will understand that the Department cannot create material all of a sudden. Poles have to be got from Shimoga and other things will have to be imported from America. We will try to step up the stock position as far as possible.

Sri B. V. NARAYANA REDDY.—Does the Hon'ble Minister know that while power is not given to Bagepally taluk, for other places in Kolar District, which applied for pump sets two or three years later, pumpsets have been sanctioned.

Sri H. M. CHANNABASAPPA.—Kolar District has enjoyed some special preferences.

Sri B. V. NARAYANA REDDY.—It may be Gauribidanur Taluk wherefrom Sri Nagiah Reddy hails, but not Bagepally and Gudibanda.

Sri H. M. CHANNABASAPPA.—As far as possible, I shall try to push up the work as early as possible.

Sri Mulka GOVINDA REDDY.—Out of 93 that have been sanctioned, how many were sanctioned before this question was tabled and how many after ?

Sri H. M. CHANNABASAPPA.—I have given definite dates of sanction : 29 were sanctioned before 15th December 1955 ; 24 were sanctioned before 4th February 1956.

Sri Mulka GOVINDA REDDY.—What steps have the Government taken to sanction the remaining applications ?

Sri H. M. CHANNABASAPPA.—Regarding the remaining applications, deposits have not been correctly paid in. The parties were informed and they have subsequently on 8th November 1955 made proper deposits. Estimates have been prepared and they are under scrutiny by the Chief Electrical Engineer and are under submission to Government for sanction.

Sri H. C. LINGA REDDY.—With regard to the 20 I.P. sets pending with the Chief Electrical Engineer, may I know why they were kept pending for such a long time ?

Sri H. M. CHANNABASAPPA.—As I already said, deposits were not correctly made and parties were informed of it and they deposited proper amounts subsequently on 8th November 1955. Further action has been taken and they will be sanctioned in due course.

Sri H. C. LINGA REDDY.—You were pleased to mention that for as many as 93 sets power has been sanctioned Is it not necessary that Government should make sure that materials are available before they are sanctioned ?

Sri H. M. CHANNABASAPPA.—If the Hon'ble Member wants that sanction should be withheld till materials are available, we have no objection.

Sri H. C. LINGA REDDY.—What useful purpose will be served if merely pump sets are sanctioned if materials are not available ?

Sri H. M. CHANNABASAPPA.—Sanction is given on merits and as and when materials are available, work will be taken up for execution.

Sri H. C. LINGA REDDY.—Will the Government take steps to make the materials available ?

Sri H. M. CHANNABASAPPA.—Government is making hectic efforts to make materials readily available as far as possible.

Rural Industrialisation Scheme (Officers).

Q.—249. Sri A. BHEEMAPPA NAIK (Molakalmuru).—

Will the Government be pleased to state :—

(*a*) the total establishment charges incurred per month for working out

(SRI A. BHEEMAPPA NAIK.)

the Rural Industrialisation Scheme in the State ;

(*b*) the names of several officers under the control of the Director of Rural Industrial Scheme and the salaries of officers thereunder ;

(*c*) whether they are satisfied that the establishment charges incurred in that Department is in proportion to the achievement of results under the above scheme ?

A.—SRI H. M. CHANNABASAPPA (Minister for Industries).—

(*a*) About Rs. 27,409 per mensem.

(*b*)—

Sriyuths—	Rs.
(1) L. Krishna Naik, B.A., Executive Assistant of Rural Industrialisation, Chitaldrug Division.	425
(2) T. H. Ameer, B.A., Executive Assistant of Rural Industrialisation, Mysore Division.	500
(3) K. S. Krishnaji Rao, B.A., Executive Assistant of Rural Industrialisation, Bangalore Division.	425
(4) B. N. Rama Rao, M.A., Superintendent of Industries, Chickmagalur.	350
(5) H. Malhari Rao, B.SC., B.T., Superintendent of Industries, Shimoga.	330
(6) K. Sidde Gowda, B.A. (HONS.), Superintendent of Industries, Hassan.	330
(7) H. S. Yellappa, B.A., Superintendent of industries, Chitaldrug.	310
(8) N. Mallappa, B.A., Superintendent of Industries, Tumkur.	310
(9) B. S. Sampangirame Gowda, B.A., Superintendent of Industries, Kolar.	310
(10) B. Gopala Rao, B SC., Superintendent of Industries, Bangalore.	270
(11) R. Rajanna, L.M.E., L.E.E., Superintendent of Industries, Mysore.	240
(12) T. V. Appe Gowda, L.M.E., Superintendent of Industries, Mandya.	225
(13) I. M. Kotriah, B.A., Superintendent of Industries, Bellary.	260
(14) T. V. Thimmaiah, B.A., Personal Assistant to the Director, R.I.	350
(15) T. Rangadasappa, B.SC., Chief Auditor, Bangalore.	355
(16) I. K. Amitha, B.E. (Mech.), Technical Assistant to the Director, R.I.	210
(17) G. Varadegowda, M.A., Statistician.	200

(*c*) Yes.

SRI A. BHEEMAPPA NAIK.—What is the turn-over per month of these new big industries started under this Rural Industrialisation Scheme ?

*SRI H. M. CHANNABASAPPA.—We have not started big industries under the Rural Industrialisation Scheme.

SRI A. BHEEMAPPA NAIK.—Then what is that is being done by these officers mentioned in your answer ? When you spend Rs. 27,000 per month, what is its result in terms of yield ?

SRI H. M. CHANNABASAPPA.—Rural Industrialisation Department is itself managing the scheme as envisaged in the scheme.

SRI A. BHEEMAPPA NAIK.—That is known to all. I am asking you, what is the benefit derived for spending Rs. 27,000 per month ? Have you taken account of its utility and the yield that you are getting out of that ? It need not be necessarily Government alone doing it. Even if private enterprises are started, what is the turn-over per month ?

SRI H. M. CHANNABASAPPA.—It is not calculated per month. We have given about 20.21 lakhs all over the State for the development of rural industries. We have helped them financially.

SRI A. BHEEMAPPA NAIK.—It is not merely giving money. When

you have spent so much money on establishment, what is the production per month or per annum ?

Sri H. M. CHANNABASAPPA.—Since it consists of a huge number of small enterprises all over the State, it would be difficult to assess the production per mensem.

Sri A. BHEEMAPPA NAIK.—When they are spending so much money, have they made efforts to know whether there is any production at all ?

Sri H. M. CHANNABASAPPA.—We are not spending money for no purpose. We are giving financial help to people who undertake enterprise in villages.

Sri A. BHEEMAPPA NAIK.—When you give so much money, at least should you not know what is being done with that money or whether your money is at least safe ?

Sri H. M. CHANNABASAPPA.—Since it is merely a loan, they will look after the money carefully and see that they utilise the money for the purposes for which it is given.

Sri A. BHEEMAPPA NAIK.—Does the Hon'ble Minister know that the least that is expected of them is to examine whether this scheme is going to yield benefits in proportion to the money that is spent and whether it has helped production ?

Sri H. M. CHANNABASAPPA.—Government has been looking into that aspect, but they are unable to assess the monthly production. But the Government are assured that things going on very well according to programme.

Sri A. BHEEMAPPA NAIK.—I am asking whether the Government is collecting statistics ?

Sri H. M. CHANNABASAPPA.—Some loans were issued two years ago ; some loans were issued one year ago and some were issued one month back. In respect of loans issued two years ago, the industries have already been started and they are in production and the rest are in various stages. But Government is not in possession of the information as to what exactly is the monthly production of these industries. The Hon'ble Member's suggestion will be taken and as far as possible, Government will try to assess the production in this behalf.

Sri A. BHEEMAPPA NAIK.—There are so many officers mentioned in your answer ; may I know whether they are merely administrative officers drawn from the Revenue Department or are any of them technical men from the Industries Department ?

Sri H. M. CHANNABASAPPA.—Well, not all.

Sri A. BHEEMAPPA NAIK.—I am to tell you Sir, that every one of them is drawn from the Revenue Department except this gentleman Sri I.K. Amitha, B.E., who is drawn from the Industries Department ?

Sri H. M. CHANNABASAPPA.—There are a few others also.

Sri A. BHEEMAPPA NAIK.—What is the training you give before putting them in charge of this rural industrialisation scheme ?

Sri H. M. CHANNABASAPPA.—In the absence of technical men, we have to prepare technical men out of non-technical men.

Sri A. BHEEMAPPA NAIK.—What is the machinery out of which you prepare them ?

Sri H. M. CHANNABASAPPA.—Experience.

Sri A. BHEEMAPPA NAIK.—Do you know that you will have to spend the entire money on them in order to make them experienced in this Rural Industrialisation Scheme ?

Sri H. M. CHANNABASAPPA.—It is a matter of opinion.

Sri A. BHEEMAPPA NAIK.—Why should the Government not consider the desirability of opening a Training Centre to train persons in this field and replace the present officers by the trained personnel ?

Sri H. M. CHANNABASAPPA.—Government will certainly consider the question of training young men in technical undertakings.

Sri A. BHEEMAPPA NAIK.—Before giving any training why should Government put such untrained persons at the helm of affairs ?

Sri H. M. CHANNABASAPPA.—This Rural Industrialisation Scheme is not one that requires extraordinary skill or training. The object of the scheme is to give the concerned people necessary encouragement by way of loans and show them the proper work and so on; besides this, so much of administrative work has also got to be done.

Sri A. BHEEMAPPA NAIK.—Who is supplying the know-how?

Sri H. M. CHANNABASAPPA.—The people who are already in the field and who engage themselves in many of the industries which are now in existence have got the know-how. But, certain amount of co-operation and co-ordination work has got to be done.

Sri A. BHEEMAPPA NAIK.—Is there any officer in the establishment of Government who knows something about these industries apart from the administration work?

Sri H. M. CHANNABASAPPA.—Many of them have been working in the Industries Department for a good length of time and they have equipped themselves sufficiently.

Sri A. BHEEMAPPA NAIK.—I want to know the number.

Sri H. M. CHANNABASAPPA.—I would furnish the information later on.

Sri A. BHEEMAPPA NAIK.—Will the Government at least now think of establishing a training centre and train the personnel to be able to give proper instructions and guidance to those engaged in rural industries?

Sri H. M. CHANNABASAPPA.—We have been seriously thinking of having training centres.

Sri V. M. MASCARENHAS.—You have provided a Superintendent of Industries for this scheme. Is there not a Superintendent already under the Director of Industries?

Sri H. M. CHANNABASAPPA.—Yes.

Sri V. M. MASCARENHAS.—Then, where is the need for this duplication of officers?

Sri H. M. CHANNABASAPPA.—As the Hon'ble Member knows, special kind of work has got to be done all over the State on the one hand and on the other the development of medium scale industries has to take place.

Sri V. M. MASCARENHAS.—Is it possible to believe that the Superintendent of Industries would do the work of developing industries?

Sri H. M. CHANNABASAPPA.—He is not there to develop industries. He is there to aid people to develop industries, to give instructions, to look to the administrative work and so on.

Sri V. M. MASCARENHAS.—When there are Supervisors and Superintendents in the Department of Industries for the last 20 to 25 years, why should Government appoint another set of officers from the past three or four years, costing them nearly, Rs. 20,000 a month?

Sri H. M. CHANNABASAPPA.—As Hon'ble Members are aware, the Rural Industrialisation Scheme is specially meant to enthuse the people and develop local talent and to resuscitate the small industries and provide employment to people in those places. In pursuance of the achievement within two years in Kolar and Bangalore, the scheme was extended to other districts.

Sri V. M. MASCARENHAS.—Does the Hon'ble Minister know that the whole scheme is a flop?

(*Laughter*).

Sri H. M. CHANNABASAPPA.—I am not aware. (*Laughter*).

ಶ್ರೀ ಆರ್. ಮುನಿಸ್ವಾಮಯ್ಯ.—ಈ ಅಫೀಸರುಗಳು ಇಂಥ ಕೆಲಸ ಮಾಡಬೇಕೆಂದು ನಿಗದಿಯಾಗಿದೆಯೇ?

ಶ್ರೀ ಎಚ್. ಎಂ. ಚನ್ನಬಸಪ್ಪ.—ಆಗಿದೆ.

ಶ್ರೀ ಆರ್. ಮುನಿಸ್ವಾಮಯ್ಯ.—ಡೈರಿ ತರಿಸಿ ನೋಡುತ್ತೀರಾ?

ಶ್ರೀ ಎಚ್. ಎಂ. ಚನ್ನಬಸಪ್ಪ.—ನೋಡುತ್ತೇವೆ.

ಶ್ರೀ ಕೆ. ವಿ. ಬೈರೇಗೌಡ.—ಟ್ರೈನ್ಡ್ ಪರ್ಸೋನೆಲ್ ಮತ್ತು ಟೆಕ್ನಿಕಲ್ ಸಿಬ್ಬಂದಿ ಇಟ್ಟುಕೊಂಡು ಬಾಕಿಯವರನ್ನು ತೆಗೆದಿರುವುದಕ್ಕೆ ಕಾರಣವೇನು?

Mr. SPEAKER.—It has been already answered.

ಶ್ರೀ ಡಿ. ಆರ್. ಕರಿಗೌಡ.—ಗ್ರೂಪ್ ಇನ್‌ಸ್ಪೆಕ್ಟರ್ಸ್‌ಗೆ ದೊಡ್ಡಬಳ್ಳಾಪುರದಲ್ಲಿ ಟ್ರೈನಿಂಗ್ ಕೊಡುತ್ತಾ ಇಲ್ಲವೇ?

ಶ್ರೀ ಎಚ್. ಎಂ. ಚನ್ನಬಸಪ್ಪ.—ಅದನ್ನಾಗಲೇ ಹೇಳಿದೆ.
